From the Editor

As I write, I don't know the election result, but by now you all will! So it's back to normal life. Whatever that means?! I wonder what the summer will bring. It's still June for me cooling down after a rather hot spell. But it's August for you. I wonder what July was like?

St Sampson's Fundraising Appeal are holding a re-run of their well received Curry Night at Kavali on 12 August. It sold out quickly last year so, if you want to join in, see the details on page 20 and get your tickets soon!

A lot of clubs will be stopping their activities for August, so check their articles in the magazine, the *Chronicle Diary* and their websites for information.

The schools will have shut their doors from 25 July until 2 September, but I know the teachers will still be at work assessing the year just gone, and planning the next

year's curriculum. Students will be going up a year: some starting a new school, some a new experience in higher education, jobs or apprenticeships. We wish them all well!

The Olympics will be well under way in Paris by now, and there should be the opportunity to view all the athletes' performances, and to cheer on our own at the Leisure Centre (page 24).

We are pleased to see that the Parkinson's Café has found a new home from September. See page 39 for details.

If you are going away during the summer, the Town Council has some security tips on page 3. But if you are still around on 9 August, there is a free skate park session at the Leisure Centre.

Have a good August!

Can you help? It may save a life!

The Community Heart Beat Trust has seven defibrillators around Cricklade, all of which are there as the result of local fund raising and grants. There are others in premises such as Tesco and the Leisure Centre which mean our community is incredibly well served by these amazing devices.

They do however need regular cleaning and checks, usually on a monthly basis. Information is then submitted to the Community Heart Beat Trust so that the units are always ready if needed.

After September the current volunteer who carries out these checks will be handing over the task to someone else. Could you be this person and serve the Cricklade Community by doing so?

Defibrillators have helped to save lives, and can be used by anyone, as the user is guided through the whole process by the machine itself. If you can spare a couple of hours a month to undertake this very important task, please contact: Tom Dowsett:

Thank You.

Cricklade Town Council

Town Council Meetings

Tuesday 27 July Planning, Conservation and Transport Committee

Monday 2 September Full Town Council

The Meetings commence at 7pm, in the Council Chamber, 113 High Street. Members of the public are welcome and have an opportunity to ask questions at the beginning of each meeting.

Skateboard Activity Sessions

The Council is again funding a Free Skatepark Session for children of all ages hosted by ATB Shop on Friday 9 August at the Leisure Centre between 10am and 1pm. Skateboards and scooters will be provided but bring your own if you prefer. Parents welcome to join in too!

Floral Displays

We would like to thank all the residents, businesses, Bloomers and the Council Grounds Team for their hard work in keeping Cricklade's floral displays in pristine condition. The High Street floral displays, planted by Bloomers and watered by the Grounds Team are in full bloom and looking fantastic.

There were many lovely front gardens, hanging baskets and front doors on display for the "Cricklade in Bloom" competition, but at the time of writing it has not yet been judged. Watch this space or visit the Council Website for more news and events.

The Tourist Information Point ...

... has a range of leaflets, for tourists and locals who just want to know a bit more about our Town, or what is available in the area. Do you know we have a lost and found property section? We post all items brought in on Facebook and on the Council door for those who do not subscribe to social media. Sadly, if the items are not retrieved, bank cards are shredded, anything else is binned or recycled, so if you have lost something recently do give us a ring, just in case.

In addition, there is also a collection point for used batteries, postage stamps, ink cartridges and mobile phones (Factory Reset please), as well as Foodbank items.

If there is anything you would like to see the Tourist Information Point stock, please let us know. We may not adopt your suggestion but it helps us keep your opinions at the forefront of our minds.

Holidays

Some useful checklists before you go. *Safewise.com* suggests you check your doors, garage and windows are securely closed and locked, and any existing security system is operational. If you are driving, service your car, check tyres, oil and water, plan your route and have an alternative. It is recommended you have frequent rest stops to prevent dehydration. Check you have all literature and documentation before leaving,

and that it is still in date. Let someone know where you are going, keep your phone and charger handy and don't be tempted to post where you are on Facebook, Twitter, Instagram etc whilst you are there. Keep it for when you get home!

If you have any worries about home safety, contact the Bobby Van, which is an independent charity working with Wiltshire Police and Wiltshire Fire & Rescue Service who offer a free home security service and a stay safe online support for older, vulnerable and disadvantaged people across Wiltshire. Email:

bobbyvan@wiltshire.police.uk

Bins

Please can we remind residents to ensure that their bins are returned to their property as soon as possible after collection. Leaving them out can cause obstruction to pedestrians and vehicles if left on the footpath or the road.

Hedges

Can all homeowners please note that you are responsible for your hedges. Please can you ensure that footpaths are kept clear of overhanging trees and hedges, and that undergrowth is not allowed to encroach onto footpaths. In recent weeks, we have had several instances of brambles and stinging nettles encroaching onto paths causing injury, and impassable footpaths.

Cricklade Neighbourhood Plan

There have been many concerns aired by those who took the time to let the Council know their needs and what they felt the community lacked. We thank you all for your time; it was a little disappointing not to have more information from the youth of Cricklade – after all they will be the ones taking the Town forward into the future, but with hectic lives it may have been too difficult.

The results are being collated and will be available later in the year.

The Town Council and Tourist Information Point is open, except Bank Holidays:

Monday to Friday 10.00 - 16.00 hrs (Closed 12.30 - 13.30 hrs)

Wiltshire Perspective

This last month has been an extremely busy month for me: it had what will probably be the final 'first time' for specific meetings. This time it was the Area Board, which I've been to a few times some years ago, but never on the front desk. It was good to get views from a mezzanine perspective. The Area Board stretches from our division in the north and arcs round to the west of Swindon to Hackpen Hill in the south. Wiltshire has 18 such Area Boards.

Our Board Area includes Lyneham Banks, which suffered a landslip closing the B4069 in February 2022. Wiltshire Council has now awarded a contract for the repairs due to finish by the end of this calendar year. The Area Board meeting was given a presentation by the contract winners, who were quizzed in significant detail about many things including where the contractors would be staying and where they might be buying their sandwiches from. The questions in my mind were more along the lines of the details of the timeline that will take it almost three years to fix. But I bit my lip as I didn't have a dog in that fight.

A traffic concern I do have is the startling progress of the missing link at the northern end of the dual carriageway around Birdlip, and specifically the impact it will have on us with the increased traffic on the road and the associated noise that will be coming our way in the not too distant future. I'm trying to press for a focus on it now rather than having to suffer several years before the issue is prioritised to get it resurfaced. This is especially important now that it's about to be handed back to Highways England from the private company that built and maintained it since its original construction around 30 years ago.

As I write, I don't know the result of the election, but if it's Roz, I suspect I have a better chance of gaining traction on the issue than if it is James. Having said that, I will be pressing either of them for help to try to prioritise this for the well-being of our local residents.

The traffic that probably impacts on Marston Meysey the most comes from the aircraft rather than the ground, especially with RIAT in July. By cycling to Trowbridge for the last full council meeting I probably saved around 2 gallons of fuel or, put another way, less than a 30th of a second for an F-15 using its afterburners. They say every little helps, but in the light of that I can't help feeling 'but not much'.

As ever, if you think I can help please get in touch and I'll see what I can do.

Cricklade Court Leet

Notice of Public Court and Appointment of Honorary Freemen

I give notice that the next public Court Leet will be held on 22 November 2024 in the Town Hall with the Lord of the Manor Michael Neeld presiding.

Officers will give reports and members of the jury will have been duly summoned to attend.

Part of the function of The Court is to award Honorary Freeman status to persons 'who in the sole opinion of the Court have given outstanding or exceptional service for the benefit of Cricklade'.

The award carries with it no rights or privileges simply the recognition of voluntary work undertaken, generally over many years, in our community for the benefit of us all. The number of recipients is limited by our rules, so it remains a special award to those who have received it in the past.

If you feel you know of someone who may be suitable for such an award, please speak to any member of The Court who can, if they wish, take the nomination forward for you. A list of names and contact details is held at the Town Council Offices or speak to me. See our website crickladecourtleet.org.uk

Cricklade Development Foundation

The Old Police Station: Latest Update

We are pleased to announce the completion of the new toilet block which has gone from a dilapidated storage area into new “fit for purpose” toilets for the local community and visitors using the premises once the whole project is complete. The toilets were mainly financed by the generous grants from local organisations including Crapper and Sons, Hills Group, Wayland Estates Charity and of course our great membership.

With the upstairs flats already rented to local people the focus has been to complete the ground floor with potentially up to four commercial units and we are now almost there. We are actively now seeking commercial tenants for these exceptional units, which can be leased as one large unit or split into four. Located right in the heart of the High Street there is no better location.

So, if anyone has a great business idea, we may just have the place for you.

For more details email contact@crickladefoundation.org.uk or telephone 07902 421 756.

Cricklade Festival

A BIG Thank-you to all the people of Cricklade who attended our Festival in June. We were blessed with great weather and the committee were amazed at the numbers in attendance, and we hope everyone had a good time!

Special thanks must go to all our wonderful volunteers who marshalled on the day. It wouldn't have happened without you!

However, without the funding of our local businesses there would be no Festival, so thanks to you all for your support. Also our thanks to our two sponsors Pebley Beach and Mather & Murray. We must also thank Cricklade Town Council for their continued support.

You may have noticed some changes and improvements this year resulting in a couple of feedback quotes we received such as "a lovely time and our young children had a lot of fun!" and many stall holders said they'd "had a great day" and definitely want to join us next year.

If you like to be part of making this truly wonderful day happen then please contact us and be a part of what's already in the planning for next year!

Catch us through our Facebook page or email to: Info@crickladefestival.co.uk.

See you next year on 8 June!

Thanks to all once again.

New members are always welcome - you don't even need a camera. Everyone is welcome. So if you are budding novice or a more experienced photographer, why don't you try us out for an evening for a guest fee of £6.00.

Our 2024/25 program is just being finalised and will appear on our website soon, but we will continue to have many excellent speakers covering a wide range of topics.

Our eighth season starts in earnest on Tuesday 3 September in the Town Hall Annexe at 7.30pm for an entertaining evening as members talk about their successes over the last year and discuss photographic new year's resolutions.

Our second meeting in September will be a Zoom meeting on 17 September with Alan and Julie Walker who will be explaining how to maximise your success in competitions. Their talk looks at how to improve individual images for competitions across a wide range of photographic genres. They will look at the capture and getting it right in the camera plus the necessary post production to avoid judge bait, before a brief look at taking photography to the creative level which is often successful in many competitions

Rod Davis from Swindon Lions with 'Messages in Bottles',
Avril Samuel from the Katie Haines Trust with Carbon Monoxide Detectors.

Jonathan Mansfield from Alzheimer's Wiltshire also attended – a last minute meeting had prevented him from attending our May Café. He handed out leaflets and chatted to some of the Carers.

Our very grateful thanks to Wayland Estates Charity for their grant award. It will enable us to go forward with confidence, benefiting our charity and more importantly our members, and it will give us the ability to expand our resources and activities.

Our aim is always to offer a welcoming setting with activities, information, fun and a chance to make new friends and enjoy coffee and homemade cakes.

If you have memory issues or have dementia, join us on the first Wednesday of each month at the Town Hall Annexe for coffee and cakes – see the Diary at the back of your copy of *The Chronicle*.

Cricklade Garden Club

Our gardening year starts in March and, as always, we have had a wide range of excellent speakers and garden visits.

In March, after our AGM, David Cropp gave us an enthusiastic demonstration of dividing and potting on with the very satisfactory outcome of getting a number of new plants from one old one.

The threats historic gardens, parks and landscapes face from housing developments, infrastructure projects and leisure demands were highlighted by Maggie Hoffnung of the Gardens Trust. It was a very informative talk and a wake-up call for us all.

Jo Homan of the Orchard Project spoke to us on the transformative benefits of green space and community growing, particularly in deprived urban areas.

June was a busy month: we had our annual Plant Fair in the Town Hall on the 8th which was well attended and lots of plants were sold to happy gardeners who then went on to sample delicious refreshments from the WI in the Annexe. Then on the 11th we invited visitors from other Cricklade organisations to join us in celebrating 20 years of Bloomers. Anita Barratt gave us a beautifully illustrated talk on how she and the late Bob Jones started Bloomers and how it has evolved over the years. Glasses were happily raised to honour a remarkable achievement.

In July, Sally Oates, an artisan grower and florist, showed us how she had created a cut flower patch from scratch at her delightfully named Dillycot Garden.

Lovely visits to Welford Park for snowdrops, the iconic Waterperry Gardens and the atmospheric Bishop's Palace Gardens in Wells were thoroughly enjoyed.

Our next meeting is on 10 September when we will be delighted to welcome back Richard Ricketts. Our favourite bee keeper will be introducing us to the amazing honey bee. Refreshments are served from 7pm and the speaker starts at 7.30pm.

For information about the Club, upcoming events and trips, please look at our excellent website www.crickladegardenclub.org.uk Membership is £20.00 per annum, and we are affiliated to the Gloucestershire Federation of Gardening Societies (www.gfgs.org.uk)

Visitors are always welcome at £5.00 a session - come and give us a try.

Queries to Bizzie 07876 347 973 or Janet 07765 276 534.

We look forward to seeing you in September.

Christian Aid

Many thanks to everyone who donated to the Christian Aid week annual appeal. Thanks too to those who offered their homes as envelope collection points all around the town. We are delighted to announce that overall we raised £1,665.88 – this has been forwarded to Christian Aid and will be a great help in allowing them to continue their important work supporting the most needy and vulnerable people across the world.

The Christian Aid Team

After Blakehill – The Story of Blakehill Camp

What happened next to RAF Blakehill Farm?

When WW2 ended, many factories switched from military to commercial production, but the increasing demand for workers was hampered by the housing shortage. In response to this national problem the Government started converting living quarters on abandoned army and air bases into civilian accommodation. And so, in November 1946 when RAF Blakehill closed, Cricklade & Wootton Bassett RDC drew up proposals to adapt the Nissen huts on the unoccupied sites as temporary housing until new council houses could be built.

Nissen huts when first erected at RAF Blakehill Farm

At Blakehill there were six ex-RAF living sites of separate groups of half-circular, corrugated steel Nissen huts set on compounds around the aerodrome with more than thirty huts plus other ex-military buildings on most sites. About 150 huts were suitable for conversion on five of the sites each surrounded by farmers' fields on the land that had been requisitioned when the airfield was built.

The Nissen huts (30ft long by 16ft wide) had been the sleeping quarters for the WAAF and RAF personnel. With no internal partitions they were heated by a coke-fired stove, and lit only by windows in the brick-built ends. Latrines and washrooms were in separate buildings outside. Now, each hut was to be divided into five spaces inside to provide two bedrooms, a big living room with a new dormer window to allow in extra daylight, and a bathroom and kitchen. Water and electricity were laid on so that the bathroom could be fitted with a fixed bath, wash basin and flush toilet, and the kitchen with a sink, cooker and water heater. By late 1947 the huts were ready for occupation by a significant number of key workers and their families, while some Swindon companies were allocated Nissen huts at Blakehill to let to their own employees.

Wayland Estates Charity

Supporting Cricklade, Past & Present

Leave a Legacy to Cricklade

Wayland Estates Charity would appreciate residents of Cricklade considering making a donation or leaving a gift in their will to the Charity.

WHY? Currently, Wayland Estates Charity gives approximately £10,000 per annum to community groups. The Charity has a limited amount of capital, providing a small amount of income, with little opportunity for growth. In future we would like to be able increase our income allowing us to help more groups and support bigger projects.

Who are we? There is a committee of twelve Cricklade residents who, as Trustees, meet twice a year to decide the grant awards and to maintain the running of the charity.

Who do we help? Examples of projects that have been supported are for the Cricklade Development Foundation, the Memory Café, Cricket Club, Bowls Club, the Town Band, the Jenner Hall, the Clock at St Mary's, The Chronicle, the Leisure Centre's Dance Studio. Our grants, given for capital projects not for running costs, enable groups to provide a community facility that may otherwise be lost in the future without valuable support.

Would you like to donate now or leave a legacy in your will for the benefit of Cricklade and the future of Cricklade? The Charity is the perfect way to do this by adding to the Charity's capital ensuring a healthy future income to help groups supporting all of Cricklade.

A GIFT THAT KEEPS ON GIVING!

Cricklade Open Door

Here we are nearly in August and 'heavens above', thoughts of autumn activities and even Christmas keep popping into my mind!

However - we had a great end to July, with an invitation to watch St Sampson's C of E School's end of term production - 'Rock Bottom', an hysterical Stone Age rock musical! We are so fortunate to be included in both St Sampson's C of E Primary School and Cricklade Manor Prep Schools' productions. It's great that they value the Cricklade community's residents of all ages.

We have also enjoyed afternoons of cake decorating and of flower arranging, as well as all the usual activities.

We visited 'The Crown' at Cerney Wick, to enjoy a pub lunch with a super menu of mainly Indian dishes but also other choices too. A great place and not too far away – we recommend it and also thank our volunteer mini bus drivers and assistants who transport members on extra days, other than on our usual 3 days at The Jenner Hall. On Friday 26 July we were invited to join in with the afternoon of White Lodge Care Home's Summer Fete, with stalls, raffles, eats etc, so we went along and, fabulously, the proceeds from the day were given to Open Door. That's a BIG 'Thank You' to White Lodge.

So, here we go into August!

Open Door will be open through August, just closed on Bank Holiday Monday 26 August.

Pop along on a Monday, Tuesday or Thursday between 10am and 3.30pm to The Jenner Hall or telephone 07599 987 851 if you'd like a chat beforehand.

Cricklade W.I.

We have had a busy few months recently and now it is good to settle back, relax and enjoy our upcoming speakers and the summer weather. Thank you Alison for our talk last month on the 'good old British cup of tea'. I'm sure we will all have more respect for our 'cuppa' now we realise the impact tea has had on our history and culture.

We are very much looking forward to our August speaker. Stewart Linford built a multi-million pound business from scratch that won him the Queen's Award and the Freedom of the City of London. Unveiling a series of exceptional pieces of craftsmanship Stewart will explain the evolution of chair making through his uniquely humorous stories, the inside accounts of dealing with clients from rock stars to royalty, plus his distinctive take on historic British heroes and events. Stewart created a Winston Churchill armchair in the early noughties ... and people said that Stewart looked a bit like the Great Man. That started an exciting journey as a Churchill lookalike culminating in his magnum opus: *The Wicked Wit of Winston Churchill*. As an award winning member of Toastmasters International Speakers he is a maestro of interactive and exciting story telling whatever the occasion.

If you would like to come and hear our speakers, we welcome visitors at £3 only. Come and see what we are about; we meet on the third Thursday of each month in the Town Hall Annexe at 7.30pm. Or contact our secretary Viv Tomkins on 01793 752459 or at

The school summer holidays are now upon us. Hopefully, we will enjoy many warm and sunny days and the children will be able to get out to play. Using lots of energy usually means hungry mouths to feed and many of our clients will find these six weeks tough.

Cricklade Bowls Club

Our summer season progresses well with both our league and internal matches in full swing. These will take us well into September.

Today is 1 July and we haven't seen much rain in a while. We're hoping for a dry July and August but that will have an impact on our water bills. No one lives at the club so there's little in the way of water usage over the winter. But looking at last year, we had a very hot and dry summer. At the hottest times we might average 4m³ per day so, although we have a spray irrigation system, we don't want to over water. But nor do we want a brown green ... if there is such a thing! I suppose so, since the picture

here, taken by Clive Heard from the top of St Sampson's church tower, shows a grey green!

The other times we use more water than normal are in the spring and autumn when we put on top dressing sand, fertiliser and seed, but that's comparatively minor.

Let us hope for long warm sunny days, with significant rainfall every night that stops an hour before dawn!

We continue to welcome a few new members almost every week. If you are interested and want to know more about the game of bowls, the best opportunity is to come to one of our Club Nights at 6pm every Friday in the season. Come along to the Bath Road green, opposite St Sampson's primary school. No charge, no experience necessary and no special kit – just make sure to wear shoes with a flattish sole if you want to have a trial bowl. We have club members who can show you what to do and we have spare bowls for you to use. And we will welcome you to our club bar for refreshments afterwards!

Saxons Pétanque Club play on the gravel pistes just in front of Cricklade Leisure Centre at 2pm on Tuesday and Thursday afternoons, 10am on Saturday mornings and 7pm on Wednesday evenings during the summer.

The game is very easy to pick up but we run informal training sessions on some Wednesday mornings for those who want them. Membership is very reasonable at just £20 per annum for adults and £5 for children.

For some members the club sessions are enough but others enjoy the competition of matches both within Saxons and against other local clubs.

Several of us went tenpin bowling in June and we're looking forward to a social evening of pétanque with a BBQ towards the end of August – fingers crossed for good weather!

Swindon Croquet Club

A great result to start the season!

In the first warm weather of spring, Swindon Golf Croquet Level Play 5+ team visited Bristol and came away worthy winners 14 - 6. Given the strength of the Bristol team this was expected to be a very tough game. Swindon started strongly and romped to a 8 - 0 lead after three rounds (two doubles and a singles) with the 12 afternoon singles ending up all square. Stand in captain Tony Mayer said, "The Swindon team played exceptionally well which surprised our opponents who, on paper, expected to win. It was a superb team effort."

This is a game of strategy and skill you wish you'd started to play earlier! Please get in touch if you'd like to find out more or give croquet a try.

The Final Word ...

I'm currently a couple of years into a long term project to walk the Wales Coast Path – 876 miles taking in the Welsh coastline from Chester in the north, right around to Chepstow in the south east. Having just passed the 400-miles mark, the end is not quite in sight, but perhaps a faint glimmer on the horizon!

The real joy of walking is not just reaching the end but the time and space of the journey itself. There's something about the rhythm of walking that helps to give a different sense of perspective. I grew up in Wales and some of the coast is very familiar to me, but walking has connected me with places and landscape in a different way. In the busyness of daily life, we rarely get the space to look and see and think differently.

Recently I read a delightful book by the Norwegian explorer Erling Kagge called "Walking – One Step at a Time". In it Kagge says, 'After having put my shoes on and let my thoughts wander, I am sure of one thing – to put one foot in front of the other is one of the most important things we do.'

Christians often talk about "the journey of faith", and for me, that journey is much more of a long hike than a high speed rail trip! In faith, too, there are stiff climbs, and delightful river valleys. In faith, too, there are days of trudging against rain and wind, and moments when the sun breaks through and the view is beyond words. In faith, too, there's nothing more important than putting one foot in front of the other, thankful for the God of love and life who walks with us.
